HIGHBROOK CROSSING

Spring Highlights at Highbrook

Spring was bursting with energy at Highbrook, and we loved celebrating the season with you!

We kicked things off with a heart-warming **Father's Day** promotion on our socials, thanks to the generous support of *Out Of The Box*. It was fantastic to see so many of you get involved and share the love—especially rewarding for **our lucky winners, Pene and Katie**.

Throughout **September**, our ever-popular **Scratch and Win** campaign returned to Highbrook Crossing. With **\$2,000 in Highbrook Crossing Cash** given away, it brought smiles to countless customers and added a fun twist to the dining experience. **A special shout-out to Mary, who took home the Bonus Scratch and Win prize** of \$100 Highbrook Crossing Cash!

We hosted the thrilling **ZM High Striker** challenge, where anyone could test their skills and had a blast competing for prizes.

October kicked off with the Pink Campervan offering breast health advice by registered nurses and ran a special **Breast Cancer Awareness competition**, featuring a **Pink Prize Pack** sponsored by *Reti* and *Out Of The Box*. **Congratulations to our winners, Connie and Cushla!**

We wrapped up the season with a wildly fun and interactive **Hits Human Slot Machine**, giving everyone a chance to win.

Spring was packed with excitement, and now we're gearing up for an even bigger summer.

HIGHBROOK FUN RUN

Mark your calendars for Wednesday, 18 March 2026 and join us for the Highbrook Rotary Fun Run! This exciting event brings together Highbrook businesses and their teams for a great cause.

Last year, we raised \$21,000 for local charities—let's make this year even bigger!

Summer Excitement at Highbrook

You're invited to celebrate the grand opening of the stunning new Canopy at Highbrook Crossing on Wednesday 17 December.

Bring your team along to enjoy this beautifully redeveloped space with **free lemonade and ice cream, live music, giant outdoor games, and spot prizes** throughout the day from **11am to 2pm**.

We hope you will enjoy relaxing, dining and collaborating in this new public space.

We're also bringing back the high-energy **ZM Dollar Dome** on **Wednesday 3 December!** Step inside and grab as many tickets as you can in just 5 seconds—the more you catch, the more you win.

There's over **\$1,000 in Highbrook Crossing Cash** up for grabs, plus **ZM merch, Urban Collab Tees, a Ryobi One Hybrid Fan with battery pack** (worth nearly \$250), and more!

Then on **Thursday 26 February 2026**, **Radio Hauraki** rolls into Highbrook Crossing with tunes, tenpin, and top vibes. Bring your team and give it your all—the more pins you knock down, the better the prizes! You could win big, including a **Hoover PowerScrub XL Carpet Cleaner** worth over \$400.

Stay tuned for more **giveaways, deals, and events** this summer—there's always something happening at Highbrook!

HIGHBROOK CROSSING

The new canopy design forms tree structures and blends seamlessly with the Highbrook Crossing architecture.

Highbrook Crossing's new canopy welcomes you in

Highbrook Crossing has a fresh new look — and it's ready for you to enjoy from early December.

A striking greenhouse-style glass canopy now stretches over the plaza entrance, creating a bright, weather-protected space that invites you to relax and unwind. Designed to echo the form of trees and blend seamlessly with the surrounding landscape, the

canopy brings the outdoors in while offering shelter from the elements. Lush greenery and a variety of seating options make it the perfect spot for lunch breaks, casual meetings, or simply soaking up the atmosphere.

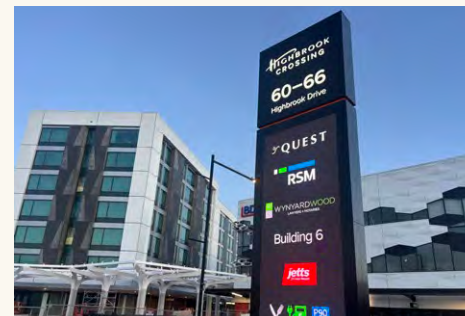

Sculptural aluminium screens providing wind protection.

Car park façade

The car park building has received a visual upgrade too. Sculptural aluminium screens now wrap the façade, echoing the geometric motifs found throughout Highbrook and adding a refined architectural touch. These panels soften the structure's appearance while maintaining airflow and providing wind protection — a subtle but thoughtful enhancement that ties the precinct together.

HIGHBROOK
Superette

As part of the broader transformation, Highbrook Superette — formerly Smile Supermarket — has also undergone a refresh. With a new look and an expanded range of everyday essentials, it's well worth a visit next time you're at Highbrook Crossing.

Good taste is our currency.

The Banker

THEBANKER.NZ
@THEBANKER.NZ

The Banker is coming!

A brand-new eatery called The Banker, is set to open in March on the ground floor of the Quest building. Experienced operators in the hospitality industry, this new venue promises the same high-quality experience Aucklanders have come to love — operating from breakfast and lunch through to dinner and drinks.

With its refreshed spaces, vibrant hospitality, and thoughtful design, Highbrook Crossing is evolving into a lively destination for work, connection, and community.

We're upgrading the Highbrook Crossing signage to make navigation easier and enhance visibility. The upgrade includes a striking 9-metre monolith at the main entrance, featuring a digital screen to showcase building names and retailers.

Goodman's New Management Office

AT Highbrook Crossing

Goodman has relocated its estate management team to a new, ground-level office in the Quest building at Highbrook Crossing. This new space serves as the operational hub for managing Highbrook and Goodman's 14 other estates across Auckland. The team also maintains a presence in the city at their Wynyard Quarter office.

Right next door to the new Highbrook Goodman office, you'll find Jagas and their impressive showroom—learn more about their business on the next page. Adjacent to Jagas is the main entrance to Quest, all fronting the newly developed Highbrook Crossing Canopy, a dynamic space designed to bring the Highbrook community together.

Goodman's new Highbrook office details:

Ground Level, Quest Building
60 Highbrook Drive

Highbrook Business Park
Phone: 0800 375 6060
Email: service@goodman.com

NEW GOODMAN BRAND

Highbrook Business Park is owned by Goodman NZ Highbrook Limited Partnership and managed by Goodman. Recently, we launched our new Goodman brand logo that reflects our positioning as “Providers of essential infrastructure for the digital economy”. The new logo design aligns with the needs of both logistics and data centre customers.

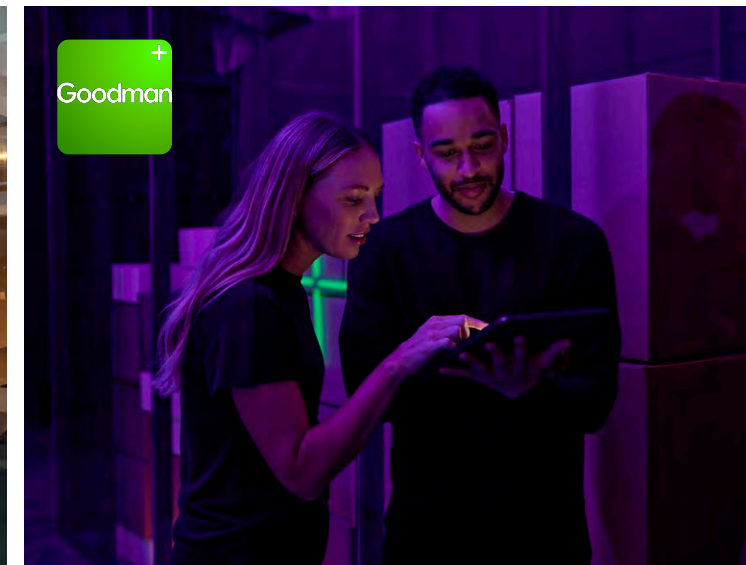

You will first see the logo on digital channels and print channels and it will be progressively rolled out across all materials including signage.

So, while we may look a little different, a lot hasn't changed—our values of **innovation, determination, integrity and sustainability** still apply.

We're still specialist providers of essential infrastructure in key markets around the world. Our high-quality standards of customer service and our experience and ability to deliver complex infrastructure projects remain a point of difference.

Only now our logo is as driven by technology, as we are.

INTRODUCING
TO Highbrook Crossing

Jagas for premium paving and precast solutions

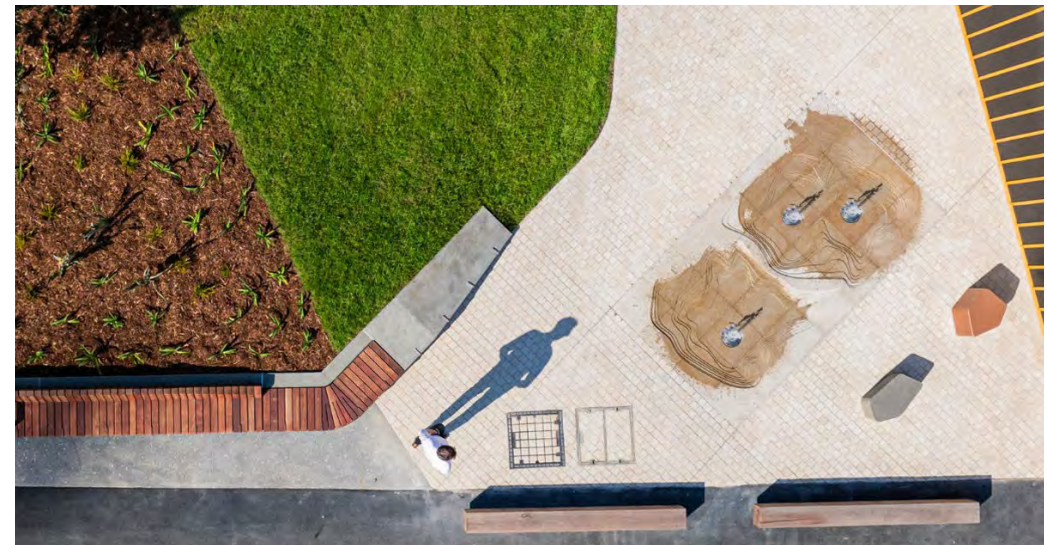

Jagas Paving & Precast Limited is proudly 100% New Zealand owned and specialises in premium paving and architectural precast concrete solutions for both residential and commercial projects.

Recognised by architects, landscapers, and developers for its quality craftsmanship and innovative designs, Jagas offers a wide range of paving products, including porcelain, permeable, and concrete paving, as well as bespoke precast elements such as bench seats, stair treads, planter boxes, and more. Each product is carefully crafted to enhance the look and functionality of your outdoor spaces.

Using advanced manufacturing techniques, Jagas delivers custom,

cost-effective solutions that meet diverse design needs while ensuring long-lasting performance. Their work features in notable projects — from bespoke residential patios and driveways to public and commercial spaces like the new Recreation and Wellness Centre at the University of Auckland, Tauranga Waterfront, Steele Park in Hamilton, and many more across New Zealand — demonstrating the company's commitment to quality, innovation, and architectural excellence.

This December, Jagas will open its brand-new showroom at Highbrook Crossing, on the ground floor of Quest, where visitors can explore the full range of paving and precast solutions in person.

Active Explorers Highbrook – A Special Place to Learn and Grow

Located in the heart of East Tāmaki's Highbrook Business Park, Active Explorers Highbrook is your local early learning centre where children feel safe, supported, and inspired to explore the world around them.

Our nine purpose-built rooms are thoughtfully designed to support each age group. The nursery is warm and peaceful, with a quiet home-like feel for infants. Toddlers enjoy bright, well-resourced rooms filled with fun activities that match their energy and curiosity. Preschoolers benefit from a school readiness programme that builds confidence, independence, and excitement for the next step in their learning journey.

Mealtimes are a valued part of our day. Children gather in a dedicated dining space, developing social skills and enjoying the sense of connection that comes with eating together. Our outdoor spaces provide plenty of room to run, jump, and explore. From bikes and water play to carpentry stations and physical challenges, there are endless opportunities for fun and learning.

Our teaching is guided by New Zealand's Te Whāriki curriculum, which encourages curiosity, collaboration, and resilience. Many of our teachers have been with the centre for over a decade, bringing a wealth of experience and a passion for supporting each child's individual journey. Their diverse skills in music, storytelling, gardening, and creative arts enrich every aspect of our learning programme.

"They are almost like family who you can trust completely. Being a first-time mum, finding a daycare was stressful, but Active Explorers took that away on the first day."

HIGHBROOK CROSSING

APD Global relocates to Highbrook – strengthening presence in New Zealand

APD Global, one of Australia's largest WA-founded consultancies, has announced its strategic move to Highbrook, Auckland, marking a significant milestone in its expansion across New Zealand. The relocation underscores APD's commitment to delivering cutting-edge solutions in renewable energy, advanced telecommunications, AI software development, autonomous drone and rover inspections, and space technologies.

Founded in Perth, Western Australia 26 years ago, APD Global has grown into a global powerhouse operating across 15 locations Globally. The company's reputation for innovation and technical excellence has positioned it at the forefront of industries shaping the future.

Earlier this year, APD Global launched APD Space, a dedicated entity focused on aerospace innovation. Incorporating high-altitude technology, AI robotics, and specialised aerospace systems,

APD Space embodies the company's vision: "Made in Australia, Built for the World."

The move to Highbrook provides APD Global with a strategic base in Auckland's thriving business hub, offering proximity to key clients and partners while supporting its growth in renewable energy and advanced technology sectors across New Zealand.

Key achievements driving APD's growth

APD Global's portfolio reflects its leadership in complex, high-impact projects, including:

- **Battery Energy Storage Systems (BESS):** Over 100 projects delivered, including the largest installation in the Southern Hemisphere.
- **High-Voltage Infrastructure:** Design of hundreds of substations and transmission lines supporting nearly every 500 kV renewable energy transmission zone nationwide.
- **Telecommunications Innovation:** Construction of hundreds of remote sites and delivery of Australia's first 4G rail signalling system for METRONET.
- **Emergency Services Modernisation:** Upgrading digital radio networks for critical national infrastructure.
- **Space Connectivity:** Terrestrial downlinks for OneWeb satellites launched aboard SpaceX rockets.
- **Cybersecurity Leadership:** Safeguarding Operational Technology environments with advanced solutions.
- **Advanced Design & Manufacturing:** Leveraging 3D design, VR, and precision engineering for extreme environments.

Highbrook Parklands: Planting for the Future

If you're a regular visitor to the scenic 8km Highbrook Parklands track, you may have noticed new pockets of native plantings (ngahere) emerging across the landscape. These are part of an exciting coastal restoration initiative funded by the Howick Local Board, who selected Highbrook Parklands: Planting for the Future as a launching point for this significant environmental project.

The restoration work is being led by the **Ōtara Waterways and Lake Trust**, in collaboration with local businesses and community groups. One of the standout contributors is Spicers, who have adopted a planting site behind their building. With support from the Trust, Spicers recently added **350 native plants** to the area and have proudly taken on the role of guardians (Kaitiaki), committing to expand the ngahere with future plantings.

This initiative builds on a successful trial last year, where **Goodman, Spicers, and the Ōtara Waterways and Lake Trust** teamed up to clear hundreds of metres of invasive species—wattle trees, gorse, blackberry, and other weeds—to make way for native flora and encourage the return of native wildlife.

Want to get involved?

Planting at Highbrook is a fun and rewarding team-building activity. Whether you're a local business, community group, or individual keen to make a difference, there are opportunities to contribute to this meaningful restoration work.

To find out how you or your team can get involved, contact Katie at katie@otarawaterways.org.nz.
