HIGHBROOK CROSSING

November 2026

NOV
3

Could you be at risk of diabetes?

The Mobile Diabetes Awareness Service van is heading to Highbrook Crossing.

It is estimated that 100,000 New Zealanders are living with undiagnosed diabetes. This community service raises awareness of prediabetes and type 2 diabetes, including their symptoms, risk factors and potential complications.

Highbrook Crossing, 60 Highbrook Drive

When: **Tuesday 3 Nov**

Time: **10am - 2pm**

diabetes new zealand

NOV
6
